**Invitation to the Partnership Annual Conference (PAC) of the Northern Dimension Partnership in Public Health and Social Well-being, 16 November in Vilnius**

Dear [.....],

It is a pleasure for me to invite you to the Partnership Annual Conference (PAC) of the Northern Dimension Partnership in Public Health and Social Well-being (NDPHS). Lithuania will hold an Annual Conference at Ministerial level before giving away the Chairmanship duties of the Partnership, consigned to our country two years ago. The Conference will take place in Vilnius on 16<sup>th</sup> November 2007, commencing with a reception in the evening of 15<sup>th</sup> November 2007.

The Partnership, which currently includes 13 governments and 8 international organisations, was created in order to promote sustainable development of the north eastern part of Europe by improving peoples' health and social well-being. It aims to contribute to this process by intensifying cooperation, assisting the Partners in capacity building, and by enhancing coordination between all relevant international and national actors in the region.

The PAC is, according to the Oslo Declaration, to review progress under the Partnership, carry it forward, provide coherence and co-ordination in order to achieve its objectives and provide political guidance. Consistent with this, the forthcoming Partnership Annual Conference will, among other things, be devoted to an exchange of views and experiences between Ministers and other High Representatives on the topics of healthy life and healthy work in the Northern Dimension area.

I hope that it will be possible for you to accept my invitation. Your active support and participation in the Conference will be most welcome. Further information concerning the content and organisation of the Conference will be available through your Representative in the Committee of Senior Representatives (CSR) [.....].

Looking forward to welcoming you in Vilnius in November, I remain,

Yours sincerely,

Rimvydas Turčinskas  
Minister, Chairman of the Partnership
