Dear minister,

It is a pleasure for me to invite you to the Northern Dimension Partnership in Public Health and Social Well-being (NDPHS) Annual Conference in Oslo on 25th November 2009. Norway will host this meeting on ministerial level to mark the end of our chairmanship period. The meeting will start with a conference dinner in the evening of the 24th.

The ministerial meeting in Oslo will decide on the future direction and strategy of the NDPHS collaboration and a new chair and co-chair for the period 2010-2011 will be elected. We will sign the agreement formally establishing the NDPHS secretariat (tbc), and have the opportunity to adopt an NDPHS declaration on prison health.

Please notify who will participate in your country's delegation by registering at www.ndphs.org by 23rd October 2009. Programme and practical information is available at the same web-page.

I would also like to draw your attention to the NDPHS conference: *Good prison health – better public health – safer society* that will be arranged the day before the PAC. (Please see enclosed information).

Looking forward to welcoming you in Oslo!

Yours sincerely

Bjarne Håkon Hanssen
