Questions to be answered before inviting

Open call or individual invitations?

Individual municipalities or regions as well?

Who approaches / invites cities officially? When?

Partner = municipality/city or partner = national / regional organisation?

Partnership depends on the funding programme – do we invite from all countries?

Interested and/or potential municipalities - results of discussions BRHCA <-> cities

Estonia: Pärnu, contacts to National HC Network and UBC cities

Latvia: Jurmala, Riga, national contacts via Riga people (UBC cities possible)

Lithuania: Klaipeda, national contacts weak (but UBC cities possible)

Poland: good contacts to National HC Network, Warsaw, Lodz and Poznan

Russia:

HC in North-West: Pskov, Novgorod, Vologda region “on the edge”
(Cherepovets, Veliky Ustug), contacts to StP and K-grad also possible

HC in whole Russia: 20-30 cities, interest within designated HCs

Finland, Sweden, Norway, Denmark, Iceland (?), Germany (?) maximum 1
city/municipality per country (decided in Riga meeting)
