Revision of the NDPHS Goals and mid-term operational targets

NDPHS 8th Partnership Annual Conference
25 November 2011

Silvija Juscenko
Senior Adviser, NDPHS Secretariat

Revised NDPHS Goals and OTs

- **Developed by the NDPHS Expert Groups, approved by the CSR**
- **Approach taken:**
 - **Reflect relevant developments**
 - **Respond to regional challenges**
 - **Take into account needs and priorities of the Partners, as well as the availability of funding for the implementation of the agreed actions**
 - **Reflect the reform of the NDPHS expert-level structures in 2010**

Revisions of a technical nature

- ❏ **Goal 1: The role and working methods of the NDPHS are strengthened**
- ❏ **Goal 4: Resistance to antibiotics is mitigated in the ND area**
- ❏ **Goal 7: The impact in the ND countries on society and individuals of hazardous and harmful use of alcohol and illicit drugs is reduced**
- ❏ **Goal 8: Pricing, access to and advertising of alcoholic beverages is changed to direction, which supports the reduction of hazardous and harmful use of alcohol**
- ❏ **Goal 10: The NDPHS Strategy on Health at Work is implemented in the ND area**
- ❏ **Goal 11: Public health and social well-being among indigenous peoples in the ND area is improved**

Substantial revisions

-  **Goal 2: Prevention of HIV/AIDS and associated infections in the ND-area has improved**
-  **Goal 3: Social and health care for HIV infected individuals in the ND area is integrated**
 - Strengthened focus on project planning and facilitation
 - Use of the LFA (Logical Framework Approach)
-  **Goal 5: Inequality in access to qualified primary health care in the ND area is reduced**
-  **Goal 6: Health and other related needs of people kept in places of detention are readily met, access to the health services is improved, and gender specific needs are addressed**
 - New operational targets on health of migrants

Possible revision of Goal 9

- **Goal 9: Tobacco use and exposure to tobacco smoke is prevented and reduced in the ND area**
 - The Goal, operational target(s) and linked to them indicator(s) are under revision. The proposal shall be submitted by the ASA EG in due time to the CSR 20 Meeting to be held in 2012 for adoption

New Goal 12

- **Goal 12: The impact of all main causes / risk-factors of lifestyle related NCDs in the ND countries are addressed (in addition to alcohol and tobacco targeted through Goals 7-9): overweight, low fruit and vegetable intake, trans fat avoidance, high salt-intake, insufficient vitamin-D intake, high blood pressure, high blood cholesterol, low physical activity (sedentary lifestyle), and factors related to mental health problems**
 - NCD Flagship-A project: Prevention of over-weight of schoolchildren (ages 7-15) in Northern Dimension geographical area
 - NCD Flagship-B project: Results! Effective and efficient implementation of national NCD prevention strategies in Northern Dimension geographical area.
