ADPY – Situation analysis for
evidence based prevention

This document has been produced with the financial assistance of the European Union. The contents of this document are the sole responsibility of the CBSS Secretariat and can under no circumstances be regarded as reflecting the position of the European Union.

Why project?

- To learn something new or develop to the better

What's needed?

- Joint vision
- Transparency
- Agreement
- Communication

What to avoid

- Key words or values that can be interpreted differently

What's different in the next project?

- More time (and money) for physical meetings
- A concrete signed agreement

What's the same in the next project?

- Interactive meetings
- On going process
- The new and broad perspective
- Combination researchers and practitioners

Thank you!
