Dear Colleagues,

I have the honor to invite you to a training of the NDPHS Expert Groups and Task Groups to be held on 6 February 2014 in Berlin, Germany one day prior to the EG Chairs and ITAs meeting. As earlier announced, the focus of the training will be on (i) a logframe planning process and (ii) developing an operational plan for a strategy (incl. actions, targets and indicators).

Attached to this letter you will find practical information for participants. You are kindly requested to pay particular attention to the section regarding the conditions for the co-financing of your travel costs.

Further information and meeting documents will be submitted to you next week.

Yours sincerely,
