

# The WHO Global Action Plan, Finland

- Do you have a National Strategy or Action Plan already?
  - Not currently
- If not, how will you manage to reach this goal?
  - Finland has a multisectorial AMR expert group established (1.9.2015– 31.12.2017)
  - A National Action Plan on AMR will be ready by June 30th, 2016 with financial support from Ministry of Social Affairs and Health
