# **Organizers of the 12th NDPHS Partnership Annual Conference Side Event**

**The NDPHS Secretariat**

**The NDPHS EG on Non-communicable Diseases**

**The ND-PYLL Study Project Team**

## Steps of Affairs in the organization of the PAC-Side Event.

- First discussion of the PAC – Side event was during Chair-ITA meeting on February 2016, in Gdansk, Poland
- Second discussion of the PAC – Side event was during the 11<sup>th</sup> meeting of the NCD EG meeting held on 8th of April 2016, in Moscow, Russian Federation
- Finally, PAC – Side event **“ND-PYLL Study 2016/ Final results”** was approved by the CSR meeting held on 29<sup>th</sup> April 2016, in Copenhagen, Denmark

## **The PAC-Side event “ND-PYLL Study 2016/Final results” gives an opportunity for:**

- discussion about the NDPHS regional situation of premature mortality from preventable causes;
- benchmarking and exchange of experiences on the preventive interventions between the countries;
- discussion about the national and regional health promotion policies;
- supporting evidence-based policy making and implementation of “Health in All Policies”;
- strengthening exchange between researchers and policy makers for better health of the region.

**The premature preventable mortality is a shared challenge for all NDPHS EGs and TGs.**

**We welcome representatives of all EGs and TGs to the side event.**

## **State of Affairs in the organization of the PAC-Side Event.**

- The expected number of participants is 55
- The expenses for the Event are jointly covered by the PYLL STUDY Project and NDPHS Secretariat.
- The jointly drafted text of the invitation letter for prospective participants of the PAC – Side Event
- The PAC-Side Event web page will be open during next week
- The Hotel reservation details are provided in the practical information on the Event web-page [http://www.ndphs.org/?mtgs,pyll\\_side-event](http://www.ndphs.org/?mtgs,pyll_side-event)

## **GOLD INFORMATION**

*Participation in the meeting is free of charge. Accommodation and travel costs must be covered by the participants themselves.*
