

Progress in the implementation of the NDPHS Action Plan and further steps

Yulia Mikhaylova

Chair

Expert Group on Primary Healthcare

Points of the NDPHS Work Plan for 2016

and which are within the remit of the Primary Health Care Expert Group

- ✓ Higher awareness among national health policy-makers of the increasing prevalence of multimorbidity in the elderly population and of an effective policy response
- ✓ Better understanding and commitment of national policy-makers to strengthening the role of patients and their families in the implementation of integrated care plans
- ✓ Strengthened and more visible role of health and social well-being on the regional agenda in the Northern Dimension area
- ✓ Strengthened support and involvement of other stakeholders in the NDPHS-facilitated activities

Discussion of the PHC EG Work Plan for 2016 implementation on the 1st Meeting of the PHC EG, June 10, 2016, Moscow, Russia

- ✓ **Approval of the PHC EG Terms of Reference**
- ✓ Achievements of the countries-members of PHC EG and experience exchange on strengthening the role of patients and their families in the implementation of integrated care plans
- ✓ Discussion of the PHC EG Work Plan for 2016 implementation
- ✓ Russian experience of the implementation of people-centered, integrated care for patients with multi-morbidity was present to the PHC EG members (in Polyclinic №180, Moscow)
- ✓ Interworking groups cooperation
