

NDPHS Workshop on a flagship on aging populations
Stockholm, Sweden
14 May 2018

Title	Provisional annotated agenda with timetable
Submitted by	NDPHS Secretariat

Facilitator: Mr Wiktor Szydarowski, PhD

10:30 – 10:45 Opening

- Welcome and opening words by the NDPHS Secretariat
- An overview of the work done so far by the NDPHS Expert Groups (EGs) towards a joint flagship, presented by Dr Zaza Tsereteli, International Technical Adviser of the Expert Group on Alcohol and Substance Abuse.
- Introduction of the purpose of the workshop by the Facilitator to:
 - ✓ Clarify and agree on the terms to be applied and communicated to the decision-makers and users both within and outside the NDPHS (joint process towards the flagship, horizontal, i.e. cross-thematic, character of the activities);
 - ✓ Agree on the thematic scope for the flagship;
 - ✓ Identify the value added for the flagship in relation to national strategies and action plans addressing the aging populations;
 - ✓ Design the internal structure of the flagship (thematic blocks, work packages);
 - ✓ Specify joint (transnational) challenges for each thematic block.
- Participants briefly introduce themselves

Coffee/tea and some sweets available

10:45 – 11:45 Setting the scene

- Representative of each Expert Group makes an introduction (by means of PowerPoint slides) with the following snapshots of the EG work towards the flagship:
 - ✓ Interest and needs for this action in the given EG;
 - ✓ Activities carried out so far by the EG members;
 - ✓ Outcome expected by the EG;
 - ✓ Possible contribution from the EG (representative/s willing to take part in the joint work, gathered documentation and other written evidence, communication channels available for this purpose etc.)

N.B. A template for the snapshots will be delivered by the NDPHS Secretariat prior to the workshop. Information structured by the bullet points as above shall be presented in the workshop.

11:45 – 12:00 Guest speaker presentation as food for thought

Development, approbation and implementation of a new organizational model for medical-social care provision for elderly

Ms Olga Andreeva, Deputy Manager, Federal Research Institute for Health Care Organization and Information of the Ministry of Health of the Russian Federation

12:00 – 13:00 Networking lunch

13:00 – 14:30 Practical exercises (part 1)

Session on thematic scope of this joint action by the NDPHS

- Work in smaller groups with guiding questions by the Facilitator

Session on the value added

- Work in smaller groups with guiding questions by the Facilitator

14:30 – 14:50 Coffee break

14:50 – 16:00 Practical exercises (part 2)

Session on thematic blocks

- Work in smaller groups with guiding questions by the Facilitator

Session on challenges in each thematic block

- Work in smaller groups with guiding questions by the Facilitator

16:00 – 16:30 Closing of the workshop

- Discussion
- Conclusions and recommendations. 'Flagship on aging population' as the term proposed for use in information and communication activities for the joint process, both internally (in the NDPHS network) and externally.
