**Imaeva**

Northern Dimension  
Partnership in Public Health  
and Social Well-being

## Partner country representatives:

Finland – Prof. Pekka Jousilahti, Ms. Tiina Laatikainen,  
Ms. Karolina Mackiewicz, Mr. Mikko Vienonen

Latvia - Ms. Ilze Vamza, Ms. Iveta Pudule

Lithuania - Ms. Audronė Astrauskienė, Ms. Vincentas Liuima

Norway - Ms. Arnhild Bergljot Haga Rimestad

Poland - Mr. Piotr Sakowski

Russia - Ms. Marina Popovich, Ms. Maria Lopatina

Sweden - Ms. Marita Friberg

*Northern Dimension*  
Partnership in Public Health  
and Social Well-being

## **Goal:**

**To reduce the impact of non-communicable diseases through strengthening prevention and addressing lifestyle-related risk factors**

## **In NCD EG activities we are guided by:**

**NCD EG ToR**

**NDPHS Strategy 2020 Objective 3.3 and**

**NDPHS Action Plan 2020, operational activities: 3.1, 3.2, 3.3**

*Northern Dimension*  
Partnership in Public Health  
and Social Well-being

## **Objectives:**

- Better implementation of Health-in-All Policies (HiAP) at all levels (local, regional and national) for more effective prevention of non-communicable diseases
- Work together with all stakeholders, under the leadership of public health authorities, to prepare, strengthen and review initiatives in preventing lifestyle-related risk factors through integrated and multi-sectoral activity
- Better comprehensive national health care system to response to reduce NCD burden in the ND area
- Obtaining and promoting mutual interests for collaboration with other NDPHS Expert Groups
- Streamlining the adjustment of NCD EG Action Plan for 2017-2020 according to suggestions and additions issued by Partner Countries

*Northern Dimension*  
Partnership in Public Health  
and Social Well-being

## **Collaboration with other NDPHS EGs**

### **Measures for EGs collaboration:**

- **policy and strategy, legislations and regulations;**
- **professional Guidelines on NCDs and their risk factors prevention and control (diagnosing, treatment, prevention, rehabilitation);**
- **education for health literacy promotion in target groups (politics, making decision people, professionals, general population, specific group of population/patients);**
- **monitoring of prevalence of diseases and their risk factors or socioeconomic losses, such as PYLLs and GDP related to them, evaluation of the effectiveness of the preventive measures together with progress achieved.**

*Northern Dimension*  
Partnership in Public Health  
and Social Well-being

## **Project activity**

### **Project implementation:**

**“For better health – Practical implementation of HiAP in the municipalities for better health for all in the Baltic Sea Region”. The applicant of the Project is the Baltic Region Healthy Cities Association. The project received financial support from ENI. The duration: September 2017 - August 2018**

*Northern Dimension*  
Partnership in Public Health  
and Social Well-being

## **Project activity**

### **Elaboration of the new project:**

**The Project “A Healthy Boost – Urban Labs for Better Health for All in the Baltic Sea Region - boosting cross-sectoral cooperation for health and wellbeing in the cities”: implementation within participating countries**
