Estonia

9th Meeting of the Primary Health Care Expert Group

Recent developments in Primary Health Care (after October 2019)

- Personalized counseling on family doctor's helpline
- Higher fees for doctors working outside cities
- Financing incubation
- Planning the mentorship programme
- Decision support

- The system was somewhat ready
- Lack of personal protective equipment
- Mostly telephone consultations
- Emergency clinic system
- Family doctor's helpline
- Guidelines for doctors and patients
- Stopping scheduled treatment
- Waiting lists

Management of patients with multimorbidity during COVID-19

- Big hopes on primary level
- E-consultation
