1. New NDPHS Strategy

The NDPHS Strategy 2020 has been prolonged until the adoption of the new NDPHS strategy that is scheduled for autumn 2021, at the Partnership Annual Conference. PHC EG is closely involved and is providing input to the new strategy. Inputs have been gathered at the past EG Chairs and ITAs meeting, Strategy Development Workshop and by email exchanges (the last input in February 2021).

PHC EG Vice-Chair Mr. Valery Chernyavskiy participated at the 1st meeting of the NDPHS Strategy working group on March 11, 2021.

2. AgeFLAG

AgeFLAG seed money project has been prolonged until 31 August 2021. Members of the PHC EG participated at the AgeFLAG Policy Lab projects and the 2nd meeting of the AgeFLAG project steering group.

Representatives of the PHC EG are invited to join the NDPHS Task Force on Active and Healthy Ageing. The invitation to join the taskforce was distributed in the middle of May.

3. MITTENS

Preparation works continue for the launch of the PHC EG Work Package 6 - Remote Services in Primary Health and Social Care. The WP 6 management group has been created and includes: Mr. Valery Chernyavskiy, Mr. Simo Kokko, Ms. Kaily Susi. The first meeting of the management group was conducted on April 14, 2021. The scope and volume of work on WP6 by international and national experts will be identified and discussed at the 11th PHC EG meeting.

4. Participation in events

Members of the PHC EG participated in numerous events:

- NDPHS online seminars on progress (2003->2017) and analysis of main causes of premature deaths in ND region
- "Let's Talk Primary Health Care" organized by WHO European Center for Primary Health Care, Almaty, Kazakhstan
