

AgeFLAG

Success story of 2020

- National needs assessments held in Estonia, Finland, Latvia, Lithuania, Poland, Sweden and Russia
- Joint regional needs assessment drafted and published on the AgeFLAG website (www.ageflag.org)
- Policy Lab held on 4-5 February 2021

Ambition for 2021

- Establishment of an NDPHS Task Force on Active and Healthy Ageing
- Finalisation of the Roadmap to improve the health and wellbeing of the ageing population in the Baltic Sea Region
- PAC side event on ageing

Call for action

- Dissemination of AgeFLAG outputs through national channels
- Active participation in and promotion of the PAC side event
