

ASA EG

-  **Success story of 2020** – successful application of three project proposals for the EU Grant application (Novel Nicotine and Tobacco Products (NNTP), Cannabis, Municipality Network), regular online working meetings, no COVID cases among the EG members
-  **Ambition for 2021** – Launch the Network of the Municipalities focused on preventing work to reduce the harm caused by alcohol and drugs. Increased cooperation with the NGOs
-  **Call for action** - CSR members actively distributing and promoting information about the municipality network, NDPHS EGs closely collaborating while discussing the activities to be implemented under the NDPHS new strategy. Necessary to have one physical meeting, if possible!!
