ЭГ СВЗОЗТ (SIHLWA)
Пятая встреча
Осло, Норвегия
6-7 марта 2008

МИНИСТЕРСТВО ЗДРАВООХРАНЕНИЯ И СОЦИАЛЬНОГО
ОБЕСПЕЧЕНИЯ НОРВЕГИИ

Кому: Контактным лицам ПСИЗС (NDPHS) и членам ЭГ СВЗОЗТ (SIHLWA)

**Предмет: Приглашение на пятую встречу Экспертной группы СВЗОЗТ
ПСИЗС («Социальная включенность, здоровый образ жизни и
работоспособность»)**

Встреча состоится в

Осло, Норвегии с 6 по 7 марта 2008 года

Место проведения встречи: Гостиница Holmenkollen Park Hotel Rica

(Тел.: +47-22-922000, Факс: +47-22-146192)

Уважаемые коллеги,

Министерство здравоохранения и социального обеспечения Норвегии имеет честь пригласить членов Экспертной группы Партнерства Северного Измерения в области Общественного Здравоохранения и Социального Благополучия (NDPHS) назначить своих представителей на пятую встречу Экспертной группы **«Социальная включенность, здоровый образ жизни и работоспособность» (SIHLWA)**, которая состоится в **Осло с 6 по 7 марта 2008 года**. Круг вопросов и задачи заседания, предварительная программа и анкета для регистрации доступны в сети Интернет по адресу http://www.ndphs.org/?mtgs,sihlwa_5_oslo.

Регистрация (и бронирование гостиничного номера) должны происходить до 15 февраля 2008.

Приглашение отправлено назначенным ранее членам Экспертной группы SIHLWA, временным советникам и наблюдателям, которые присутствовали на предыдущих встречах.

Согласно сложившейся в рамках Партнерства практике, все участники отвечают за собственные расходы по проезду¹ и размещению. Организаторы предоставляют питание и легкие закуски во время перерывов.

Заседание начинается в четверг 6 марта в 12 часов и заканчивается в пятницу 7 марта в 16 ч. Поэтому большинство участников смогут при желании приехать в четверг утром, и уехать в пятницу вечером.

¹ При наличии у кого-нибудь из приглашенных партнеров /кандидатур значительных финансовых затруднений, осложняющих его проезд, организаторы просят по возможности быстро обратиться к координатору SIHLWA Микко Виенонену (m.vienonen@kolumbus.fi, мобильный телефон +358-05-4421 877) для обсуждения финансовой стороны участия в заседании.

Предстоящая встреча фокусируется на стратегическом выполнении действий, предусмотренных Кругом Полномочий [Terms of Reference] Экспертной группы SIHLWA (см. приложенные документы: «Круг вопросов и задачи ЭГ ПСИЗС» и «Предварительная программа заседания»). Встреча в Осло будет иметь практическую направленность и достаточное время будет отведено для самостоятельной работы каждой подгруппы. Важной составляющей программы является, однако, актуализация административных документов и планов. Значимость вопросов по повестке дня, растет и подчеркивается как для восточных, так и для западных регионов СИ.

Экспертная группа (SIHLWA) состоит из трех подгрупп (ниже). Членов партнерства просят назначить своих представителей в подгруппы не позднее пятницы 15 февраля 2008 года, используя электронную анкету, которая находится по адресу http://www.ndphs.org/?mtgs,sihlwa_5_oslo Работа всех трех подгрупп проводится одновременно:

- Подгруппа по вопросам подросткового здравоохранения и социально полезного образа жизни
- Подгруппа по вопросам алкоголя
- Подгруппа по вопросам гигиены труда и безопасности (ГТБ)

Государства-партнеры и организации-партнеры должны были назначить своих членов /представителей для каждой из подгрупп² SIHLWA. Самая последняя информация о назначенных представителях³ приводится в приложении. Назначенные в подгруппы лица должны быть экспертами высокого уровня в администрации здравоохранения и социального сектора, научного сообщества или НГО, работающие в сфере какой-то из конкретных подгрупп. В случае, если назначенное в подгруппу лицо не сможет принимать участие в заседании, ему следует назначить заместителя. В идеальном случае каждый член /представитель имеет двух заместителей, причем все эти лица работают как команда, информируя друг друга о событиях и итогах заседаний. Таким образом, обеспечивается постоянство работы Экспертной группы.

Кроме официальных представителей государств-партнеров/ организаций-партнеров, назначенных в каждую подгруппу, другие эксперты (наблюдатели) могут принимать участие в заседаниях в той мере, как координатор SIHLWA, председатели подгрупп и страна, в которой проводится заседание, считают целесообразным. Информацию о других участниках (наблюдателях) просим предоставить странам-партнерам/ организациям-партнерам до заседания.
